

U.S. Paint & Coatings Industry Market Analysis (2008-2013)

TABLE OF CONTENTS

➤ Chemark-Information for Decision-Makers	
➤ Acknowledgements	
➤ Foreword	
1. Introduction	
2. Executive Summary	
Overview.....	1
Current Market Conditions.....	4
Market Summary.....	5
Market Trends.....	14
Market Forecast.....	16
Final Comments.....	19
3. Regulatory Overview, Update, and Outlook: 2010	
Introduction.....	1
Sustainability and “green” products.....	1
Clean Air Pressures.....	4
Chemicals Management.....	6
Other Issues and Challenges.....	14
4. The Impact of Globalization on the U.S. Coatings Industry	
Overview.....	1
Important Takeaways	2
U.S. Segments Affected by Globalization.....	3
Relative global regional currency value.....	6
Effect on Prices of Exports.....	7
Labor Rates.....	8
Factors Underlying the Decline in Manufacturing Employment Since 2000.....	11
Productivity and Output Growth.....	15
The Effect of Foreign Competition.....	17
Domestic Demand for Manufactured Goods.....	20
Fixed Costs.....	21
5. The STIMULUS Plan and its impact on the Coatings Industry	
Overview.....	1
Impacts on Paints and Coatings.....	3
Spending by Government Agencies	5
Takeaways	11

6. M&A Activity & its Impact on the Balance of Power

Introduction.....	1
Total Transactions.....	4
Appendix I.....	8-9
Important Takeaways.....	10

7. Nanotechnology & Smart Coatings

Introduction	1
Terminology.....	3
Current Nanotechnology Materials.....	5
Carbon Based Nanotubes and Structures.....	7
Impacts of the Basic Nanotechnology Materials on the Paints and Coatings Industry.....	8
Market Size for NanoMaterials.....	13
Supply Chain for NanoMaterials and the Coatings Industry.....	13
Unique Area – Functional Additive Technology (SO-CALLED “Smart Coatings”)...	16
Summary.....	38

8. Architectural Coatings

Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	9
Market Trends and Drivers.....	23
Channels of Distribution.....	33
Retail Sales of Paint.....	51
Regional Differences.....	53
Market Forecast.....	64

9. Automobile, Light Truck, Van, and SUV Finishes.....

Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	7
Market Trends and Drivers.....	12
Market Forecast.....	22

10. Heavy-Duty Truck, Bus, and Recreational Vehicle Finishes

Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	8
Market Trends and Drivers.....	11
Market Forecast.....	18

11. Other Transportation Equipment Finishes

Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3

End-Use Markets.....	7
Market Trends and Drivers.....	12
Market Forecast.....	22
12. Appliance Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	8
Market Trends and Drivers.....	13
Market Forecast.....	20
13. Wood Furniture, Cabinet, and Fixture Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	7
Market Trends and Drivers.....	9
Market Forecast.....	21
14. Wood and Composition Board Flat-Stock Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	6
Market Trends and Drivers.....	10
Market Forecast.....	19
15. Coil, Sheet, Strip, and Extrusion Coatings	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	7
Market Trends and Drivers.....	9
Market Forecast.....	24
16. Machinery and Equipment Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	9
Market Trends and Drivers.....	14
Market Forecast.....	18
17. Nonwood Furniture, Fixture, and Business Equipment Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3

End-Use Markets.....	7
Market Trends and Drivers.....	8
Market Forecast.....	16
18. Metal Container and Closure Finishes	
Overview.....	1
Important Takeaways.....	3
Sector Analysis.....	4
End-Use Markets.....	8
Market Trends and Drivers.....	13
Market Forecast.....	21
19. Paper, Paperboard, Film, and Foil Finishes	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	6
Market Trends and Drivers.....	9
Market Forecast.....	15
20. Electrical Insulating Coatings	
Overview.....	1
Important Takeaways.....	3
Sector Analysis.....	4
End-Use Markets.....	9
Market Trends and Drivers.....	15
Market Forecast.....	22
21. Other Industrial Product Finishes	
Overview.....	1
Important Takeaways.....	3
Sector Analysis.....	4
End-Use Markets.....	6
Market Trends and Drivers.....	9
Market Forecast.....	13
22. Powder Coatings	
Overview.....	1
Important Takeaways.....	3
Sector Analysis.....	4
End-Use Markets.....	9
Market Trends and Drivers.....	19
Market Forecast.....	28
23. Industrial Maintenance Coatings	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3

End-Use Markets.....	6
Market Trends and Drivers.....	9
Channels of Distribution.....	23
Market Forecast.....	28
24. Traffic Marking Paint	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	7
Market Trends and Drivers.....	8
Market Forecast.....	13
25. Automotive Refinish Paints	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	7
Market Trends and Drivers.....	10
Market Forecast.....	18
26. Marine Paints	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	4
End-Use Markets.....	9
Market Trends and Drivers.....	12
Market Forecast.....	31
27. Aerosol Paints	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	3
End-Use Markets.....	6
Market Trends and Drivers.....	9
Market Forecast.....	13
28. Miscellaneous Special Purpose Coatings	
Overview.....	1
Important Takeaways.....	2
Sector Analysis.....	2
End-Use Markets.....	6
Market Trends and Drivers.....	14
Market Forecast.....	15
